

## **Blue Spanish Eyes**

Blue Spanish eyes  
Teardrops are falling from your Spanish eyes  
Please please don't cry, this is just adios and not good-bye

Soon I'll return, bringing you all the love your heart can hold  
Please say "Si Si" say you and your Spanish eyes will wait for me

Soon I'll return, bringing you all the love your heart can hold  
Please say "Si Si" say you and your Spanish eyes will wait for me

Say you and your Spanish eyes will wait for me.

## **I have a dream**

I have a dream, a song to sing to help me cope with anything.  
If you see the wonder of a fairytale you can take the future even if you fail.  
I believe in angels, something good in ev'rything I see,  
I believe in angels when I know the time is right for me.  
I'll cross the stream,  
I have a dream.

I have a dream, a fantasy, to help me through reality.  
And my destination makes it worth the while,  
pushing through the darkness still another mile.  
I believe in angels, something good in ev'rything I see,  
I believe in angels when I know the time is right for me.

I'll cross the stream,  
I have a dream,  
I'll cross the stream,  
I have a dream.

## Come fly with me

When dad and mother discovered one another  
They dreamed of the day when they would love and honour and obey  
And during all their modest spooning they'd blush and speak of honeymooning  
And if your memory recalls, they spoke of Niag'ra Falls.  
But today my darling today, when you meet the one you love, you say:

*Come fly with me, let's fly, let's fly away  
If you can use some exotic booze, there's a bar in far Bombay  
Come fly with me, let's fly, let's fly away.  
Come fly with me. let's float down to Peru  
In llama land there's a one man band and he'll toot his flute for you  
Come fly with me, let's take off in the blue.*

*Once I get you up there, where the air is rarified, we'll just glide, starry-eyed  
Once I get you up there, I'll be holding you so near,  
You may hear angels cheer, 'cause we're together.  
Weather wise, it's such a lovely day  
Just say the words and we'll beat the birds down to Acapulco Bay.  
It's perfect for a flying honeymoon they say  
Come fly with me, let's fly, let's fly away.*

*(Repeat chorus)*

## Early one morning

Early one morning, just as the sun was rising,  
I heard a maid sing in the valley below: *(Chorus)*

Remember the vows that you made to your Mary,  
Remember the bow'r where you vowed to be true: *(Chorus)*

Oh gay is the garland, and fresh are the roses,  
I've culled from the garden to bind on thy brow: *(Chorus)*

Thus sang the poor maiden, her sorrow bewailing,  
Thus sang the poor maid in the valley below: *(Chorus)*

Oh! don't de - ceive me, oh! nev - er leave me, How could you use a poor maid - en so?

Oh! don't de - ceive me, oh! nev - er leave me, How could you use a poor maid - en so?

Oh! don't de - ceive me, oh! nev - er leave me, How could you use a poor maid - en so?

## 'S wonderful

Life has just begun, Jack has found his Jill  
Don't know what you've done, but I'm all a-thrill.  
How can words express, your divine appeal  
You can never guess, all the love I feel  
From now on, lady, I insist, for me no other girls exist.

Don't mind telling you, in my humble fash  
That you thrill me through, with a tender pash  
When you said you care, 'magine my emosh  
I swore then and there, permanent devosh  
You made all other boys seem blah, just you alone filled me with Aah!

*'S wonderful, 's marvellous, you should care for me  
'S awful nice, 's paradise, 's what I love to see  
You've made, my life so glamorous  
You can't blame me for feeling amorous  
Oh 's wonderful, 's marvellous, that you should care for me.*

*'S wonderful, 's marvellous, you should care for me  
'S awful nice, 's paradise, 's what I love to see  
My dear, it's four-leaf clover time  
From now on my heart's working overtime  
Oh 's wonderful, 's marvellous, that you should care for me.*

## I could have danced all night

I could have danced all night! I could have danced all night!  
And still have begged for more.  
I could have spread my wings, and done a thousand things  
I've never done before.  
I'll never know what made it so exciting,  
Why all at once my heart took flight.  
I'll only know when he began to dance with me,  
I could have danced, danced, danced all night.
