

Close to you

Why do birds suddenly appear every time you are near?
Just like me, they long to be close to you.
Why do stars fall down from the sky every time you walk by?
Just like me, they long to be close to you.

On the day that you were born the angels got together
And decided to create a dream come true,
So they sprinkled moon dust in your hair
And golden starlight in your eyes of blue

That is why all the girls/boys in town follow you all around;
Just like me they long to be close to you.

On the day you you were born the angels got together
And decided to create a dream come true,
So they sprinkled moon dust in your hair
And golden starlight in your eyes of blue.

That is why all the girls/boys in town follow you all around;
Just like me they long to be close to you; just like me they long to be close to you
Wah close to you, Wah close to you, Wah close to you, Wah close to you .

Make you feel my love

When the rain is blowing in your face, and the whole world is on your case,
I could offer you a warm embrace, to make you feel my love.

When the evening shadows and the stars appear,
and there is no-one there to dry your tears,
I could hold you for a million years, to make you feel my love.

I know you haven't made your mind up yet, but I would never do you wrong.
I've known it from the moment that we met, no doubt in my mind where you belong.

I'd go hungry, I'd go black and blue, I'd go crawling down the avenue,
no, there's nothing that I wouldn't do, to make you feel my love.

The storms are raging on the rolling sea,
the winds of change are blowing wild and free, you ain't seen nothing like me yet.

I could make you happy make your dreams come true, nothing that I wouldn't do,
go to the end of the earth for you, to make you feel my love.

To make you feel my love, To make you feel my love.

Dream a little dream of me

Stars shining bright above you, Night breezes seem to whisper "I love you".
Birds singing in the sycamore tree, Dream a little dream of me.

Say "nighty night" and kiss me, Just hold me tight and tell me you miss me.
While I'm alone and free as can be, Dream a little dream of me.

Stars fading, but I linger on, dear, Still craving your kiss.
I'm longing to linger 'till dawn, dear, Just saying this:

Sweet dreams 'til sunbeams find you, Sweet dreams that leave all worries behind you.
But in your dreams whatever they be, Dream a little dream of me.

(Instrumental)

Say "nighty night" and kiss me, Just hold me tight and tell me you miss me.
While I'm alone and free as can be, Dream a little dream of me.

Stars fading, but I linger on, dear, Still craving your kiss.
I'm longing to linger 'till dawn, dear, Just saying this:

Sweet dreams 'til sunbeams find you, Sweet dreams that leave all worries behind you.
But in your dreams whatever they be, Dream a little dream of me.

While shepherds watched

While shepherds watched their flocks by night all seated on the ground
The angel of the Lord came down And glory shone around
"Fear not" said he, for mighty dread had seized their their troubled mind
"Glad tidings of great joy I bring to you and all mankind."

"To you in David's town this day is born of David's line
A saviour who is Christ the Lord and this shall be the sign
The heavenly babe you there shall find to human view displayed
All meanly wrapped in swathing bands and in a manger laid."

Thus spake the seraph and forthwith appeared a shining throng
Of angels praising God who thus addressed their joyful song
"All glory be to God on high and to the earth be peace
Goodwill henceforth from heaven to men begin and never cease."
