

Strangers in the Night

Strangers in the night exchanging glances,
wond'ring in the night what were the chances
we'd be sharing love before the night was through.
Something in your eyes was so inviting,
something in your smile was so exciting,
something in my heart told me I must have you.

Strangers in the night, two lonely people,
we were strangers in the night,
up to the moment when we said our first hello, little did we know
love was just a glance away, a warm embracing dance away
and ever since that night we've been together,
lovers at first sight, in love for ever,
it turned out so right, for strangers in the night.

repeat, up a semitone

Try to Remember

Try to remember the kind of September when life was slow and oh, so mellow
Try to remember the kind of September when grass was green and grain was yellow
Try to remember the kind of September when you were a tender and callow fellow
Try to remember and if you remember then follow, follow.

Try to remember when life was so tender that no one wept except the willow
Try to remember when life was so tender that dreams were kept beside your pillow
Try to remember when life was so tender that love was an ember about to billow
Try to remember and if you remember then follow, follow.

Deep in December it's nice to remember although you know the snow will follow
Deep in December it's nice to remember the fire of September that kept us mellow
Deep in December our hearts should remember and follow, follow, follow

Jamaica Farewell

Down away where the nights are gay and the sun shines daily on the mountain top,
I took a trip on a sailing ship and when I reached Jamaica I made a stop.

*But I'm sad to say I'm on my way, won't be back for many a day,
My heart is down, my head is turning around
I had to leave a little girl in Kingston Town.*

Down by the market you can hear lady cry out while on their head they bear,
Akee rice, or fish on ice, and the rum is fine any time of year.

[chorus]

Sound of laughter everywhere and the dancing girls sway to and fro,
I must declare that my heart is there though I've been from Maine to Mexico.

[chorus]

Down away where the nights are gay and the sun shines daily on the mountain top,
I took a trip on a sailing ship and when I reached Jamaica I made a stop.

[chorus]

*Sad to say I'm on my way, won't be back for many a day,
My heart is down, my head is turning around
I had to leave a little girl in Kingston Town.*

With a little bit of luck

The Lord above gave man an arm of iron So he could do his job and never shirk;
The Lord above gave man an arm of iron, but with a little bit of luck,
with a little bit of luck, someone else will do the blinkin' work!
With a little bit, with a little bit, With a little bit of luck you'll never work!

The Lord above made liquor for temptation, To see if man could turn away from sin;
The Lord above made liquor for temptation, but, with a little bit of luck,
with a little bit of luck, When temptation comes you'll give right in!
With a little bit, with a little bit, With a little bit of luck you'll give right in!

Oh, you can walk the straight and narrow, but with a little bit of luck you'll run amuck.

The gentle sex was made for man to marry; to tend his needs and see his food is cooked
The gentle sex was made for man to marry; But, with a little bit of luck,
with a little bit of luck, You can have it all and not get hooked!
With a little bit, with a little bit, With a little bit of luck you won't get hooked.
With a little bit, with a little bit, With a little bit of blooming luck!

April Showers

Life is not a highway strewn with flowers
Still it holds a goodly share of bliss
When the sun gives way to April showers
Here's the point that you should never miss

*Though April showers may come your way
They bring the flowers that bloom in May
So if it's raining have no regrets
because it isn't raining rain you know, it's raining violets,
And when you see clouds upon the hills
You soon will see crowds of daffodils
So keep on looking for a bluebird And list'ning for his song
When ever April showers come along*

(Repeat chorus)

Perhaps Love

Perhaps love is like a resting place. A shelter from the storm
It exists to give you comfort It is there to keep you warm
And in those times of trouble when you are most alone
The memory of love will bring you home

Perhaps love is like a window perhaps an open door
It invites you to come closer. It wants to show you more
And even if you lose and don't know what to do
The memory of love will see you through

*Oh love to some is like a cloud, To some as strong as steel.
For some a way of living, for some a way to feel.
And some say love is holding on And some say letting go
And some say love is ev'ry thing Some say they don't know*

*Perhaps love is like the ocean full of conflict full of pain
like a fire when it's cold outside thunder when it rains
If I should live for ever and all my dreams come true
My memories of love will be of you*

(Repeat chorus)

I only want to be with you

I don't know what it is that makes me love you so
I only know I never want to let you go
'Cause you've started something oh, can't you see?
That ever since we met
You've had a hold on me
It happens to be true
I only want to be with you

It doesn't matter where you go or what you do
I want to spend each moment of the day with you
Oh, look what has happened with just one kiss
I never knew that I could be in love like this
It's crazy but it's true
I only want to be with you

You stopped and smiled at me, Asked if I'd care to dance
I fell into your open arms; I didn't stand a chance

So hear me honey
I just want to be beside you everywhere
As long as we're together, honey, I don't care
'Cause you've started something oh, can't you see?
That ever since we met you've had a hold on me
No matter what you do
I only want to be with you

Instrumental

You stopped and smiled at me, Asked if I'd care to dance
I fell into your open arms; I didn't stand a chance

Now hear me tell you
I just want to be beside you everywhere
As long as we're together, honey, I don't care
'Cause you've started something
Oh, can't you see?
That ever since we met
You've had a hold on me
No matter what you do
I only want to be with you
I said no matter, no matter what you do
I only want to be with you

Sound of Music Medley

The hills are alive with the sound of music
With songs they have sung for a thousand years.
The hills fill my heart with the sound of music
My heart wants to sing every song it hears.
My heart wants to beat like the wings of the birds that rise from the lake to the trees
My heart wants to sigh like a chime that flies from a church on a breeze
To laugh like a brook when it trips and falls over stones on its way,
To sing through the night like a lark who is learning to pray.
I go to the hills when my heart is lonely
I know I will hear what I've heard before
My heart will be blessed with the sound of music And I'll sing once more.

Raindrops on roses and whiskers on kittens,
Bright copper kettles and warm woollen mittens
Brown paper packages tied up with strings,
These are a few of my favourite things.
Cream coloured ponies and crisp apple strudels,
Doorbells and sleigh bells and schnitzel with noodles,
Wild geese that fly with the moon on their wings,
These are a few of my favourite things.
Girls in white dresses with blue satin sashes,
Snowflakes that stay on my nose and eyelashes,
Silver white winters that melt into springs,
These are a few of my favourite things.
When the dog bites, when the bee stings, When I'm feeling sad
I simply remember my favourite things And then I don't feel so bad.

Let's start at the very beginning a very good place to start
When you read you begin with A B C
When you sing you begin with Do Re Mi Do Re Mi Do Re Mi
The first three notes just happen to be Do Re Mi, Do Re Mi. Do Re Mi Fa So La Ti ...
Doe, a deer, a female deer Ray, a drop of golden sun
Me, a name I call myself Far, a long long way to run
Sew, a needle pulling thread La, a note to follow Sew
Tea, I drink with jam and bread That will bring us back to Do, oh oh oh
Doe, a deer, a female deer Ray, a drop of golden sun
Me, a name I call myself Far, a long long way to run
Sew, a needle pulling thread La, a note to follow Sew
Tea, I drink with jam and bread That will bring us back to ...
Do Do Re Mi Fa So La Ti Do, So Do

Edelweiss

Edelweiss, Edelweiss, Every morning you greet me.
Small and white, clean and bright, You look happy to meet me.
Blossom of snow may you bloom and grow, Bloom and grow for ever.
Edelweiss, Edelweiss, Bless my homeland for ever.

(repeat)

Sixteen going on Seventeen

You are sixteen going on seventeen Baby, it's time to think
Better beware, be canny and careful Baby, you're on the brink

You are sixteen going on seventeen Fellows will fall in line
Eager young lads and rogues and cads Will offer you food and wine

Totally unprepared are you To face a world of men
Timid and shy and scared are you Of things beyond your ken

You need someone older and wiser Telling you what to do
I am seventeen going on eighteen I'll take care of you

(bridge)

I am sixteen going on seventeen I know that I'm naive
Fellows I meet may tell me I'm sweet And willingly I'll believe

(whistle)

I am sixteen going on seventeen Innocent as a rose
Bachelor dandies, drinkers of brandies What do I know of those?

Totally unprepared am I To face a world of men
Timid and shy and scared am I Of things beyond my ken

I need someone older and wiser Telling me what to do
You are seventeen going on eighteen I'll depend on you.
